Webber on Christie and Guadagno

GOP State Chairman Jay Webber today promoted gubernatorial Chris Christie and running mate Kim Guadagno as a “formidable team” who will make state government “something we can all be proud of again.”

“Sheriff Guadagno shares Chris’ vision to bring prosperity back to New Jersey, create jobs, and restore the faith of New Jerseyans in their state government. In stark contrast to Governor Corzine’s flailing campaign and its trivial cookie-cutter attacks, Chris and Kim are already hard at work restoring hope and optimism to the people of our great State,” said Webber in a statement released late this afternoon.

Guadagno and Christie are ending their roll-out day in Garfield, which is situated in southern Bergen County – the most politically competitive part of one of the most competitive counties in the state.
